PROFILE

Emmy-winning animator and creative technologist with 10+ years of experience leading 2D/3D animation, interaction design, motion design, and compositing for shorts, series, feature film, apps, and games.

EXPERIENCE

Freelance Creative Technologist, Self-Employed, Remote

August 2026 — Present

Creating interaction design and exploration using Rive and Claude Code.

Creative Director & Animator at Company Picnic, Remote

March 2024 — July 2026

First employee at the startup who built the demo at Betaworks AI Camp that secured initial funding.

Co-directed and designed conversation-based games with autonomous characters.

Rigged and animated characters to be driven by proprietary LLM brain architecture.

Animator & Compositor at Chromosphere Studio, Remote

March 2017 — February 2024

Animated and composited 2D/3D content for award-winning shorts, title sequences, series, ads, apps, and games.

Clients included Netflix, Epic Games, Cartoon Network, Warner Bros, Google, Supercell, and Airbnb.

Motion Graphics Artist at Nickelodeon Animation, Remote

March 2023 — June 2023

Delivered 50+ in-film UI animations under tight deadlines for *Teenage Mutant Ninja Turtles: Mutant Mayhem*.

Animation Artist at Netflix Animation, Remote

October 2016 — April 2022

Storyboarded, animated, and composited song videos start-to-finish for the *StoryBots* series.

Compositor at Baobab Studios, Remote

August 2020 — February 2021

Composited all shots in the 2D version of the award-winning VR short *Namoo* and developed its cinematic look with the art director.

Tested and refined custom tools for exporting image sequences from Unity.

Animation Director & Compositor for *My Moon*, Remote

March 2017 — October 2017

Established the animation style for the short film *My Moon* and led a successful Kickstarter campaign with the director.

Animated full-time on the production and contributed as compositor.

Production Artist at JibJab Bros. Studios, Los Angeles

August 2013 — November 2016

Animated, designed, composited, storyboarded, and directed for the *StoryBots* series, children's apps, and interactive iPad books.

Directed remote studios and mentored interns.

EDUCATION

Bachelor of Applied Arts (BAA), Animation, Sheridan College

January 2009 — January 2013
